

CAPABILITY STATEMENT

MAXIMIZING BUSINESS
THROUGH TECHNOLOGY

COMPANY OVERVIEW

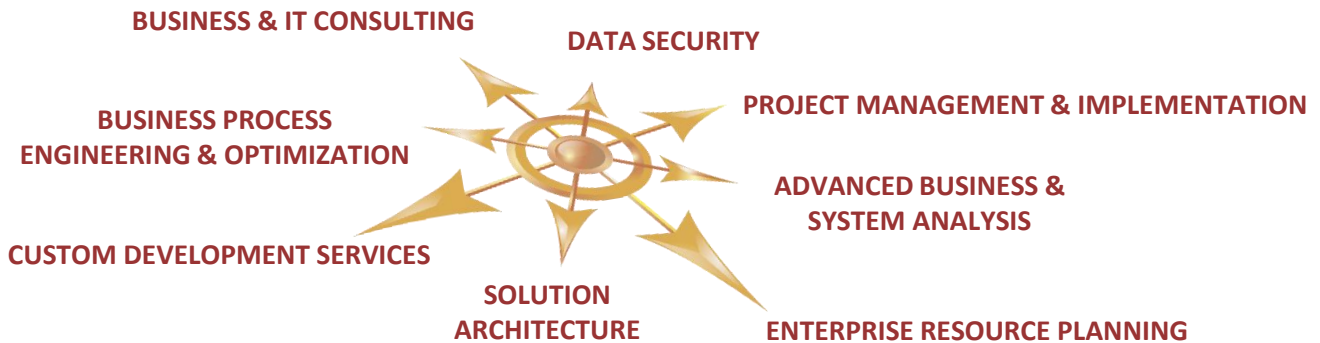

Fortuna Business Management Consulting provides clients with broad-spectrum consulting and staff augmentation services to manage and support their business and information technology requirements.

Our team is comprised of project managers, business analysts, and service experts who are committed to excellence in providing the most efficient and innovative information technology solutions depending on the client's specifications.

Our staffing capabilities essentially extend to all business needs. We enable clients to achieve their business goals through providing high-caliber and dedicated staffs hand-selected by practicing professionals.

Fortuna BMC is a Historically Underutilized Business Zone (HUBZone) and a Service-Disabled Veteran-Owned Small Business (SDVOSB) certified with the federal government. We are also a Veteran-Friendly Business Enterprise (VBE) certified in Ohio, a Disabled Veteran Business Enterprise (DVBE) certified in all Los Angeles entities, and a certified Service-Disabled Veteran-Owned Business (SDVOB) in New York.
